At Keystone we do things differently, and have since we first opened our doors in 1996. This different way means focusing on you, our customer, and building RVs that are much more than great floor plans and prices. At Keystone we do things differently, and have since we first opened our doors in 1996. This different way means focusing on you, our customer, and building RVs that are much more than great floor plans and prices. We are the third owners and have had this wonderful GMC for 16 years. It has always been garaged from new and is in excellent condition with 88,586 total miles and only 15,134 on the special Chevy 454 big block motor. Awning — Common Repairs from ZipDee— How to operate your Zip Dee Awning Check for Leaks— Several owners have reported that you should check for leakage around (rather behind) the Upper Zip Dee Mounting brackets. Seems they were installed on a seam and the rivet heads were removed so they could be mounted flush but over time the sealer between the bracket and the skin has worked loose ...
