

# Download 2000 Acura TL Transfer Case Seal Manual

Acura TL (Touring Luxury) is a mid-size luxury car manufactured by Acura from 1995 to 2014. The first Acura TL was introduced in 1995 to replace the Acura Vigor. Leaks at the front and/or rear differential pinion seal and from the transfer case are common. Leakage from the transfer case normally occurs at the case-mating surfaces and require removal of the transfer case to reseal. Leaks at the front and/or rear differential pinion seal and from the transfer case are common. Low fluid level in the differential or transfer case can result in bearing failure. Problem Solving and Prevention Kits Automatic Transmission parts. Don't let your automatic transmission fail, save money!
